Vale View is located on the outskirts of the village of Old Dalby surrounded by beautiful Leicestershire countryside. It is ideally located just 5 minutes from the A46 and other major routes with close links to the M1 which allows for easy access from all directions. The town of Melton Mowbray is conveniently located just 15 minutes away which has all major amenities.

equine centre for excellence

Vale View boasts world class facilities that are second to none including 2 indoor arenas and 4 outdoor arenas. The arenas all inter-connect via surfaced pathways. We also have a Café, onsite tack shop, permanent toilets and showers. We also have two PA systems which cover the whole venue.

National & International Arenas- Indoors

The National arena is closest to the reception area and is overlooked by the Café. It is 66x25m and surfaced with Equestrian Surfaces Cushion Track. It is covered by the PA system and has a commentary box in the bottom right corner which is accessed from the upstairs in the centre. It also has 2 access doors one which leads from an outdoor arena which can be used as a warm up and a small standing gallery.

The International arena is the larger of the 2 indoor arenas and is 70x30m. It has an in built judging box and is covered by the PA system. It also has a seating gallery which can seat 200 people in tiered seating. Additional seating is available upto an extra 250. The arena has 3 access doors for horses, 2 of which lead onto other arenas.

Outdoor arenas

Top Outdoor Arena

The top outdoor arena is 60x30m and is frequently used as a warm up arena for the National Arena. It has recently been resurfaced with Equestrian surfaces sound track and has had the drainage replaced. It has 2 access slopes to the bottom outdoor arena and a set of steps to jump up or down. There is also a judges box that over looks both the top and bottom outdoor arenas.

Bottom Outdoor Arena

The bottom outdoor arena is 75x28m and is also surfaced with Equestrian Surfaces sound Track which was replaced just 18 months ago. As well as having access to the top outdoor arena it also have access to the International arena and a surfaced path way round the side of the International onto the new All weather cross country arena. It also has a shared judges box with the top outdoor arena.

All Weather Cross Country Arena

The new arena which only open in April 2019 is roughly 80x90m and is perfect for all levels of rider. The arena features natural undulations, a water complex with steps of varying heights, several ditches and steps. We have a range of Cross country fences from 70-105cm which are built to a BE standard and are weighted however we are looking to expand our selection to offer other heights also. The arena has connections to the bottom outdoor, International arena and new show jumping arena.

Show Jumping Arena

The new show jumping arena was opened in May 2019 and is 70x80m, it is a brilliant size arena which regularly holds British Show jumping competitions with classes upto 1.40m. This arena can be connected to the all weather cross country arena or used separately. It also features its own holding chute, viewing platform and judges box. It is also regularly used as an extension to the cross country course.

Equipment

We have a wide range of equipment that is available to hire for use in our arenas. This includes:

- 🐾 A varying range of cross country jump from 70 – 105cm
- 🐾 2 sets of dressage boards (1 raised)
- 🐾 Full set of FEI standard show jumps and safety cups
- 🐾 Floral decorations for jump and arena dressing
- 🐾 Timing equipment
- 🐾 PA systems

We are also able to hire in any additional equipment that you may require!

Vale View has been designed to be as user friendly as possible and the team is used to handling large and busy events with nothing being too much trouble. The facilities are regularly used by World Class trainers and riders alike, who highly commend them.

We have newly extended lorry park that is all on hard standing and seasonal over flow parking on grass. We can also hire in any temporary stabling that is required.

Our on site café is renowned by local competitors for its home cooked, fresh food and we can offer a menu to suit your event.

In the past few years we have hosted a number of prestigious events including British Dressage Area Festivals, Nettex Associated Championships, High Profile Show, British Connemara Pony Society Breed Show, The British Breeding Futurity Show, The Para Witer Championships, Home International and The BETTALife unaffiliated 3 day event.

As you can see we have a wide range of scope to host a wide range of events.

The All Weather Cross Country has also been successfully used as a Working Hunter Course

In built ditches and steps in the All Weather Cross Country Arena

The Show Jumping arena can also be used as an extension to the Cross Country Course

Temporary stabling that has been hired in for a previous event

We look forward to working through your event proposal with you.
